We hope you are enjoying the spring like weather and increasing sunshine hours we have been experiencing.

-Basketball is continuing at full speed and our teams are demonstrating huge growth in their skills and team play. They boys did very well at the Killiam tournament and the girls had some very exciting

games at their home tournament on the 28th. Thanks to the coaches for all the time they put into the preparation of these teams. As well, it is great to have the support of our parents and school community at these games to cheer the players on and to run the concession.
